

REGISTRATION INFORMATION

The registration fee for the workshop is \$55. The registration deadline is June 7th, 2010. There is an *Early Bird registration fee of \$45* for those registering by May 21st. There will be no refunds after the registration deadline date. *Growing Up Wild curriculum will cost an additional \$12.*

OTHER ACCREDITATIONS

Local credits may be available through your **Local Professional Development Committee (LPDC)**. You will be presented with a certificate verifying contact hours at the close of the workshop.

Step Up To Quality certification may be available too! Check with your administrators and on the web-site for specific details.

Wild School Site grant requirements will be met by those who complete the Growing Up Wild curriculum.

HISTORY OF EARTH WORKSHOP

The first E.A.R.T.H. Workshop was held in 1997 and included a four county area. The workshop is now a 2-day event, incorporates five counties, and focuses on a variety of environmental and conservation themes and issues correlated to the **Ohio Academic Content Standards**. New in 2010 is 2 tracts of speakers, preK-5th grade and 6-12 grade sessions.
